County Board of Education

Board Responsibilities

- Annual County Office budget
- Adopt policies governing operation of the board
- Appeals board for student expulsions, inter-district transfers, and charter school petitions
- Select and hire county superintendent and establish salary
- May serve as landlord/property owner

Board Goals

1. Connect the educational experience to the world of work, to guarantee all students graduate prepared for college, career, and beyond
2. Provide educational opportunities and supports to SDCOE schools and school districts so that all students, including our historically underserved students, are successful
3. Become the leader and model for innovation, so that SDCOE scales, supports, and develops new opportunities for our schools, districts, and students
4. Maximize human and operational resources to strengthen the organizational culture of SDCOE

Local Control and Accountability Plan

The Local Control and Accountability Plan (LCAP) sets goals for student achievement and describes how the district will use its budget to achieve those goals.

Local Control and Accountability Plan

By law the county superintendent of schools must:

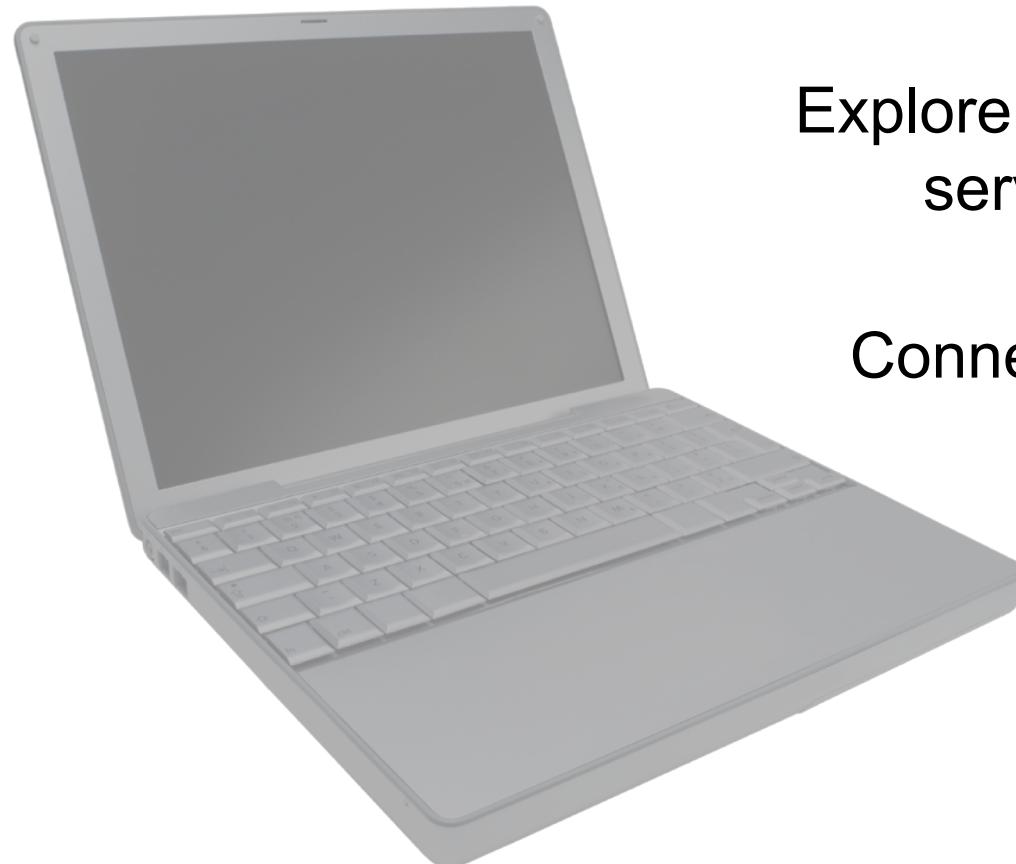

- Develop a three-year LCAP for SDCOE schools for adoption by the County Board of Education.
- Review and approve the LCAPs and subsequent annual updates of the school districts in San Diego County.
- Post all district LCAPs or hyperlinks to their LCAPs on the San Diego County Office of Education website.
